VET in schools Term 2 Graduation
7th June 2024

1 Term 1 Graduation

Our Term 1 Graduation saw three electrotechnology classes graduate. It was great to be able to have our first graduation for the year in a new venue.

As always it was great to have parents, school representatives, Industry partners and special guests in attendance.

① Term 1 Graduation

The above students all received a certificate and Subway voucher for having 100% attendance in their course, well done everyone.

One of our Thursday Certificate II in Electrotechnology classes above.

Important Notices

Online enrolments

We now accept our enrolments via our online enrolment form. This can be accessed via the following QR code:

Or via the following link:

[Booking and Enrolment Form – VETiS 2024 | Gold Coast Trades College \(peopleperformance.com.au\)](https://peopleperformance.com.au)

Office phone number:

When phoning our office number 07 5669 9000, please press #1, and that will get you directly to the VET in Schools team.

New application process for Cert II in Electrotechnology:

Please note we have implemented a new screening process for those students applying to enrol into our Certificate II in Electrotechnology course.

When students apply for our Certificate II in Electrotechnology course they will now be asked to provide us with additional information to support their application.

Do you have an event happening at your school?

Thank you to those who have already invited us to events at their school. It is great to be able to engage with students and parents.

We would love to be invited to any events you may have coming up. Whether it is your career expo, networking breakfast, mock interviews or chatting to your students, we are here to assist. Simply send the invitation through to us at:

VETiS@peopleperformance.com.au
